MEMORANDUM FOR: Chief, Basic School

SUBJECT: Week 29 May -- 5 June 1956

1. SR Division Program. The experimental program for SR Division has so far proceeded smoothly, with evidence of sustained interest from the participants. This program, being part-time, appears less satisfactory as a means for communicating ideas within an organization than the full-time one-week conference at [redacted]. As it has developed so far, the SR Division Program closely resembles the Basic Management Course, speeded up and compressed, and with a higher proportion of CS cases.
